Kathryn is currently the Director of Business Development, UNE Partnerships responsible for development of new business, liaison with partner organisations, and contract management. Kathryn actively engages with clients to analyse needs and translate them into the design, development and delivery of training programs. She liaises with several major clients including the St Vincents & Mater Health Sydney, Australian General Practice Network and Royal Australasian College of Surgeons, Department of Defence, Australian Public Service Commission, and Australian Taxation Office. She formerly acted as Program Manager, responsible for coordinating the management and administration of programs for corporate clients.

Kathryn has worked in vocational education for the past 16 years in various roles across a wide range of industry sectors. Her focus has been to promote the benefits and opportunities for organisations to develop capability and capacity through staff professional development programs. Kathryn has also been involved in managing a small business and in the teaching profession.

*Building innovative partnerships to develop future leaders in health care*
