

**Welcome Message from Dr. Somyos Deerasamee,
Director General, Department of Health Service Support,
Ministry of Public Health, Thailand**

.....

On behalf of the Department of Health Service Support, Ministry of Public Health, the Royal Thai Government, I would like to welcome all of you who participate in the 1st International Conference on “Health Services Delivery Management: Strengthening the management of primary health care and district health services in uncertain times: International perspectives,” held in Phitsanulok Province, Thailand.

It is a great honor for the Department of Health Service Support, the principal agency for ensuring consumer protection in health services and strengthening people’s capacity for self-reliance in health, to be a part of this conference, which provides all of you opportunities to share knowledge, experiences and viewpoints in various topics related to Health Services Delivery Management.

We hope that this conference will be very useful and you will gain knowledge and share experiences and extend to people. I wish all of you be success and enjoy during this conference.

Thank you very much.

Sincerely yours,

(Dr. Somyos Deerasamee)

Director General, Department of Health Service Support,
Ministry of Public Health, Thailand
